ShareLife Your Contributions at Work

There are many people in our society who suffer from disabilities that affect their daily living. At Silent Voice, the deaf community can access services to help both them and their families cope with their situation.

Tavis was a student who, with his mother's encouragement, participated in the basketball fun day for the deaf community hosted by Silent Voice, a ShareLife funded agency. Soon after, he joined a sports team for the deaf, and helped host sports clinics and events with the support of our agency. Tavis was eventually hired as a counselor for the Silent Voice Sign Language Day Camp. Today, he says "I want to be a role model for deaf kids and I'm grateful for how much Silent Voice has changed my life."

Last year, Silent Voice provide services to over 750 people in the deaf community, helping families to communicate with their deaf child, and improving access to services and creating a sense of belonging among the deaf community.

Your support for ShareLife was helped to make this possible ... you have worked wonders!
