“Living the Gospel”

Working wonders for those who need help in our neighbourhood...

“We still can’t believe how lucky we are to have our baby boy! After trying to conceive for almost 4 years, we became pregnant with the assistance of FertilityCare Toronto. I had a history of endometriosis and as a result went through 4 surgeries from the age of 18 to the age of 31. After the last surgery, my obstetrician said she didn’t know why I wasn’t getting pregnant and that we should just go for invitro fertilization instead. She basically washed her hands of us and our situation. Our friends had heard about ShareLife-supported FertilityCare Toronto and we figured it was worth a try. After only two effective cycles, we were pregnant! I was closely monitored through regular blood work the entire pregnancy and at 38 weeks and 3 days, I delivered our healthy and happy baby boy.

Words cannot express how grateful we are to FertilityCare Toronto staff for all their assistance,” shares proud parents, Amy and Ted.

Marygrove Camp

Marygrove Camp is a residential camp situated on 39 acres of beautifully treed grounds and a quarter mile of Georgian Bay waterfront, near Penetang, Ontario. The camp is open to eligible girls, ages 5-13, and provides an 8-day camping experience to over 1,000 children who may not otherwise have the opportunity to enjoy a camping adventure. Families experiencing financial or domestic hardship may contact the Society to determine their eligibility. Each camper’s holiday is fully subsidized through the generous support of an annual Camp Collection held in parishes throughout the Archdiocese of Toronto. Campers participate in a full range of activities, including swimming, canoeing, crafts, drama, Sports, co-operative games, hikes, star gazing and camp fires. The collection will take place the weekend of June 10th and 11th. If you would like to contribute, envelopes are available at the back of the church.

Lights! Pews! Action!

We thank you for your patience the last couple of weeks as we have been working on the Lighting Project here at the Parish. We have received an overwhelmingly positive response from the community about the improvements to the lights in the Church. However, with the improved lighting, we are now able to see that we do indeed need to do something with the Pews!

To date, we have received about \$75,000.00 in donations towards our project which will total approximately \$440,000.00 between the Lighting and the Pews. This is a wonderful start to our Campaign as we continue with the work. We invite you to consider how you might contribute to the project. There is information by our sample pew at the back of the Church, along with envelopes for donations. Be sure to look at the gift guide in the brochure to see the Icons made from the pews and other "thank you" gift items for different levels of donations made to the Campaign.
