Celebrate Canada Day 150th

"As we celebrate 150 years of our country, it is essential that we remember our brothers and sisters for whom this land was home before our country was founded..."

Acknowledging Traditional Territory

We would like to begin by acknowledging that the land on which we gather is the traditional territory of the Haudenosaunee, the Metis, and most recently the territory of Mississaugas of the New Credit First Nation. The territory was the subject of the Dish with One Spoon Wampum Belt Covenant, an agreement between the Iroquois Confederacy and the Ojibwe and allied nations to peaceably share and care for the resources around the Great Lakes.

This territory is also covered by the Upper Canada Treaties.

Today the meeting place of Toronto (from the Haudenosaunee word Tkaronto) is still the home of many Indigenous people from across Turtle Island and we are grateful to have the opportunity to serve in this territory.
