Introduction to the Bible: Fall Bible Study Series **Thurs Sept 14 – Thurs Nov 23, 7-9pm**

From its origins more than 3,000 years ago, the Bible has inspired and directed countless generations of believers. It's often been said that the Bible is more a library than a single book, owing to the diverse number of books that came together to give us the work that we know today. This fall we will be offering a bible study program focusing on the origin and development of the Bible's many books. Fr. Ed Eherer C.Ss.R., our Associate Pastor, will be facilitating this course. The cost of the program is \$30.00. **To register, please contact the parish office by September 8, 2017.**
