Children's Liturgy of the Word

Children's Liturgy of the Word will resume Sunday September 17th (12:10pm). The program is an opportunity for children in grades 1 to 6 to participate in the Sunday readings in a creative manner that is relevant to their experiences and learning needs. The Presider will call the children forth for a blessing before the First Reading, after which the catechist will accompany them to the Choir Room for the lesson. The children will return to join the congregation at the Preparation of the Gifts. Parents are welcome to attend the sessions with their children.

Please note: Children in Junior and Senior Kindergarten who wish to attend must be accompanied by a parent or caregiver to participate in the program. No registration is required for participation.

Introduction to the Bible: Fall Bible Study Series

Thurs Sept 14 – Thurs Nov 23, 7-9pm

From its origins more than 3,000 years ago, the Bible has inspired and directed countless generations of believers. It's often been said that the Bible is more a library than a single book, owing to the diverse number of books that came together to give us the work that we know today. This fall we will be offering a bible study program focusing on the origin and development of the Bible's many books. Fr. Ed Eherer C.Ss.R., our Associate Pastor, will be facilitating this course. The cost of the program is \$30.00. **To register, please contact the parish office by September 8, 2017.**

Oktoberfest Fundraising for Ashadeep

St. Patrick's Social Justice and Service Committee invite you once more to the **Oktoberfest Fundraising BBQ for Ashadeep**.

Please mark your calendars for this event to be held **September 9th and 10th** following the **5:00 pm Mass** on Saturday, the **10:00 am German Mass** and the **12:10 pm English Mass**. Once more we turn our thoughts as members of the worldwide church, to supporting the children of **Ashadeep**, the school and orphanage for the disabled in Bijnor Diocese, North India, 215 km north of Delhi. This is the ninth year of supporting the amazing work being done by the priests and sisters there to bring hope to the very poorest of the poor.

Last year our fundraising went to the establishment of the poultry farm at Ashadeep to provide eggs for the children and to be able to sell the surplus. This project is running very successfully as observed by the parishioners who visited in November 2016.

This year Ashadeep is desperately in need of a second school bus. In 2012 St. Patrick's raised \$27,000 to purchase the one bus which is presently making four trips a day to transport children, along with a rented bus and a bullock cart. This is the only means for some children living in remote villages to attend the school.

In 2017 the cost of a similar bus would be **\$34,000**, it may well take us more than a year to raise this amount, normally we raise an average of \$10,000 each year. But, as always, the generosity of St. Patrick's parishioners will go a long way to support this project.

Bring your family and friends and enjoy the traditional German sausages or hamburger, homemade sauerkraut and corn. Cost is \$12 for adults and \$5 for children
