*Helping the whole community
through Catholic agencies*

Living the Gospel by supporting the Deaf community

Imagine you were a Deaf child and your parents and siblings didn't know sign language. Your parents could gesture in a rudimentary way, but how do you share your joys, fears and needs? Silent Voice teaches American Sign Language and Deaf culture to families so they can share a common language. Says one grateful parent, "I'm so passionate about Silent Voice because their Family Communication Program rescues children from social isolation." Last year more than 750 Deaf children and adults received help through ShareLife-supported programs at Silent Voice.

**April 22 is the next ShareLife Sunday.
Thank you for your generosity.**
