## Living the Gospel by helping newcomers to Canada

Angie moved to Canada to marry a man she met online. He was not who he seemed; she endured emotional and physical abuse. While he was at work, she started attending language classes at Catholic Cross-cultural Services. Staff at CCS connected her with a settlement worker in the women's program. Angie received the support she needed to exit her violent relationship and live independently, free from abuse. Angie is one of over 3,000 clients helped annually by CCS programs funded by ShareLife.
