Living the Gospel by helping young families succeed

Camila was attending programs at Rose of Sharon Services for Young Mothers when she and her daughter were kicked out of the family home. As counsellors helped her search for an affordable apartment, she became pregnant a second time. Despite these challenges, Camila attended every program available to her at Rose of Sharon. At the end of the year, she walked out a stronger woman with a plan to achieve the life she wants for herself and her daughters. Last year, at ShareLife-funded agencies that assist young mothers, over 1,000 clients like Camila received support for their new families.

Today is ShareLife Sunday.
