*Helping the whole community
through Catholic agencies*

Living the Gospel by the promoting mental health of kids

Jake wrote a story in his grade 7 class that made his principal worry he might harm himself. The principal called his mother and recommended she take him to see a counsellor at Catholic Community Services of York Region, a ShareLife-funded agency. While the boy was very quiet during the first session, he eventually revealed his sadness and confusion about his parents' divorce. As the counsellor helped Jake learn how other kids respond to a family breakup, he was relieved to find out his grieving was normal. Jake started to feel much better. By donating to ShareLife, you're helping kids like Jake find healing and happiness.
