Living the Gospel by helping youth rebuild their lives

Sarah couldn't get along with her mother, so she tried living on the streets at age 14. She hitchhiked to Toronto to move in with her cousin, who soon kicked her out. Having no place to go, Sarah decided to try Sancta Maria House. She initially hated the structure and rules. However, the supportive staff won her trust and helped her return to school. At the end of her stay, she restored her relationship with her mother. ShareLife-funded agencies like Sancta Maria House are helping at-risk youth turn their lives around.

Celebrating Senior's in the Month of June

A new ministry is emerging in churches to support the faith development of "maturing adults" throughout the multiple transitions that mark the second half of life. June is Senior's Month. There are 900 million persons in the world over the age of 60. In Canada there are more persons over the age of 65 than children under the age of 15. Life expectancy has increased by 30 years over the past 100 years. Our potential for spiritual growth increases as we age.
